

Maple Lake Association 9/3/23

Meeting called to order by Frank Walters on September 3rd.

Thanks to Anne and also Frank and Don for their picnic work.

Treasurer report \$8493.04. Many thanks for all who have graciously donated more.

Everyone there introduced themselves and told where they live.

Weeds: Don Welch reported that the weed boat need a new pump and it was being fixed. Chuck Lund commented that the weed control seemed to be very successful.

Phyllis reported she has hats, both t-shirts and collard shirts, etc. available for purchase. (Good Christmas presents)

Roman: Reported the island bridge will be replaced probably in 2025.

The tube dam off Red Arrow will be replaced (2024/25).

There will be a new set-up for the water flow.

It was asked about whether the lake would be lowered; Roman said nothing has been discussed at this point.

Discussion: The pontoon boat near the hospital has been reported to ??? and there is nothing we can really do. Someone asked about "recreational gas." Available at Sunoco Gas stations in Paw Paw. (better for motors). Next meeting October 19th at 7 PM, Township Hall

There are three board positions up for re-election. Anyone interested in running, please contact Frank by Nov. 16th.

Election will be at the Christmas Party, December 3.

Meeting adjourned.

Don't forget about "Lights on the Lake" for Christmas.
